**You will learn....**

- Why you need a Power of Attorney for your Property & Finance.
- Why the Health & Welfare Power of Attorney is important.
- What and when decisions can be made for you.
- What is a Certificate Provider?
- How a Professional can support you with completing these documents.
- **What happens if you lose capacity and don't have a Power of Attorney?**

**Presented by: Andrea Scott AIPW – Civil Wills**
